**Adult Training**

All registered adult leaders and all adults who have regular contact with Scouts whether in Troop meetings or on camping trips, must take Youth Protection Training once every two years. This is a BSA requirement and protects you and our Scouts. The online course can be found at myscouting.org. When you have completed the course, print your certificate and provide a copy to our Troop training coordinator, **Cindy Sharo (through at least the end of October)**, so that the Troop will have a record.

Need to know what training to take? Registered leaders must complete 5 specific courses to be "fully trained." These are: Fast Start, This is Scouting, Scoutmaster Specific Training, Introduction to Outdoor Leader Skills and Youth Protection Training. Three of these courses can be taken online at myscouting.org. The remaining two courses are offered periodically through Chester County Council; check their [website](#) for more information. Need more information? An "Adult Training Continuum" has been posted on our [YahooGroups site](#).

Some additional training is required for certain Scout activities. For example, when swimming is planned on a camping trip, an adult on the trip must be trained in Safe Swim Defense, Safety Afloat and CPR. Best practices require that some adults on every camping trip be trained in CPR and first aid. We have posted on our [YahooGroups site](#) a record of our adult training. To keep our records up to date, please send Kate VanMeter a copy of the certificate you receive each time you complete a boy scout training program. If you are CPR certified, have completed a first aid course or are a medical professional, please provide Kate with

this information as well.

Every Scout deserves a trained leader. Please do your part to oblige him.
